TO WHOM IT MAY CONCERN

First and foremost I hope when this letter reaches you I hope you actually read it. Im asking you to really read it, pay attention to what Im saying and Im not going to apologize if this letter offends you because its time you feel the same things youve done. Look at yourself in the mirror and ask yourself if you are proud of the man you see? IF you said yes now ask yourself was it worth sacrificing the people you hurt on the way? Damn now you must be thinking. REALIZING how selfish you were huh? LOL good, sit with that and feel it. THEN you had the nerve to preach loyalty YET you ABANDON the people who were loyal to you? wheres the honor in that? THINK ABOUT MAMI, PAPI, OUR COUSINS, OUR FRIENDS AND ASK YOURSELF WHY ARE THEY STILL HERE?

WITH LITTLE RESPECT

-THE REAL HECTOR

P.S - ONLY WRITE BACK WHEN YOU ACTUALLY THINK ABOUT US TOO

IM OUT

Freedom

How Can I Right My Wrongs?

HOW COULD SOMETHING SO CLOSE FEEL SO FAR? HOW COME I CAN SEE YOU BUT I CANT HAVE YOU? WHY DO YOU WANT ME TO HURT THIS BAD? OR IS IT THAT YOU LOVE TO SEE EVERYONE AROUND ME HURT THIS BAD? WHAT IS IT THAT YOU WANT FROM ME? I CRIED SO MANY TEARS THAT I HAVE NONE LEFT. YOU SCARED SO MANY PEOPLE AWAY I DONT KNOW WHO I HAVE LEFT. TOLD ME TAKE A WALK BUT IT GET COLD OUTSIDE, ITS WARMER IN HERE BUT I FEEL LONELY INSIDE. HOLE IN MY HEART I REALLY MUST BE EMPTY INSIDE ALL THIS PAIN YOU CAUSED I MIGHT HAVE TO CATCH YOU OUTSIDE. THINKING OUT LOUD CAN I MAKE THINGS RIGHT? THEN I REMEMBERED WHAT THE JUDGE TOLD ME, HE SAID I HAD NO RIGHT !!!

? . ? . ? . ? . ? . ? . ? .

LIFE

Loyalty

We did things we weren't suppose to do, Now
we caged up like what we suppose to be. Down
on my knees praying on a miracle. Saturday
night rosary my twins are a miracle. Sunday
afternoon visit blessed to call him my papa.
Maybe one day I'll be blessed to say I'm
like my papa. Mami told me don't ever stop
fighting, positivism came through mom never stops
wanting. Reminisce in the cell on how I lost
it all, Found a brother behind the wall he always
answer my call. PTSD got me scared to
trust anyone in life, You'd feel the same if
someone you loved took your life. Upcoming
court date don't let me sleep at night. Living
this nightmare I hope this lawyer help me
sleep TONIGHT!

Betrayal
