

Can you imagine going your whole life
not having what you need
what you desire
what is essential
How do you assess value being deprived
being denied
being ignored when all it would take is a
pronouncement
a proclamation.
I don't look for words
I've said them and will continue
but not for a response
I'm not that insecure

However, it would be so nice
for someone to mean a sentiment
similar
Not even a child does?
Lovers don't seem to mean it in the long term
But
sounds good to say and
may even be meant for a short period
but does not sustain

Damn,
understand the depth and breadth
maybe that's why you haven't spoken

I always thought I was worthy
now, I'm left to face the
reality

Was it that difficult to Love me
I mean really, ME

Can you imagine going your whole life
without really knowing that it exists
for you.

Tell me,
you Love me?
mean it or don't speak it.
You owe me nothing by trying to give me false

Hope

No-one has ever really meant it
not like me.

LOVE THAT MATTERS
